Dear Brian Stanton,

Thank you for the opportunity to meet with you and your staff of Universal Stainless during the audit on 31 May 2018 on behalf of SpaceX. We appreciate the hospitality, time and cooperation extended to us by your staff.

You have successfully passed the SpaceX audit. The attached report details that no Major or Minor findings were noted during the audit of Universal Stainless and no response is required. If there are actions identified as "Observations" in the report(s), these are considered opportunities for improvement that may or may not be addressed by you internally, at your discretion.

Regards,
